

MMT Kids Dance Class Information

Our entry level Dance classes are a Jazz based class with snippets of Lyrical and Contemporary Dance. Tiny Tots classes run for 30-45 minutes, Junior & Intermediate classes run for 1 hour and will be a great introduction to the foundational techniques of Jazz, Lyrical and Contemporary Dance styles.

Tiny Tot parents may stay and watch the class upstairs but over time we do encourage parents to take leave from the class, gradually introducing our Tiny Tots to independent class attendance. Every child of course is individual and this process will look different for each family.

Our Dance terms align with school terms and will therefore begin this year on January 31st. Terms must be paid in advance. We also observe Public Holidays and these are deducted from term fees.

How to Enroll in the Dance Classes

Enrolment Day is **January 23rd between 9-11am**. This will give everyone a chance to see the space and meet your teacher. **Emilie Johnston-Maher** will be taking the Monday night classes.

Emilie has had a passion for dance since a very young age. She started teaching her first dance classes at the age of 15 and started dancing as a professional at the age of 17. She has completed full time dance training and has worked for entertainment companies, Fringe shows, children's entertainment and TV. Her passion for dance has even taken her overseas where she completed a 6 month dance contract in India and danced with some of Bollywood's biggest stars in movies, performed at weddings and corporate events. Emilie loves teaching a range of different styles for all ages and different abilities and sharing everything she has learnt so far. She believes dance is the most fun way to exercise and everyone should give it a go.

We have timed our classes to coincide with Reformer classes downstairs for those that would like to make the most of the time whilst the kids are dancing. Please remember to book in though as spots are limited and in demand. Alternatively, if you haven't already, you can join the My Pilates Gym and suit yourself with time and work your own dedicated program in the gym.
